

Applicant: Fabian Wildfang
Application No.: Not Yet Known

REMARKS

Claims 1-20 are currently pending in this application, as amended. By the present amendment, claims 1-20 have been amended in order to place the claims in more proper U.S. form and to eliminate the multiple dependencies in the claims.

Applicant has also submitted a Substitute Specification herewith which includes the paragraph numbering for the U.S. as well as the headings in accordance with U.S. practice. No new matter has been introduced into the Substitute Specification and the only changes have been the insertion of the paragraphs numbers and the headings. For the examiner's convenience and for publication, a clean version of the claims as provided by this Preliminary Amendment is attached to the Substitute Specification.

Early consideration and allowance of the pending claims is respectfully requested.

Respectfully submitted,

Fabian Wildfang
